

Guide – ACI Booking mobile app

ACI BOOKING APP INSTALLATION

- Open **Google Play Store** or **App Store** and type “**ACI Booking**” in the search field. Select the **ACI Booking app** by Hexis d.o.o.
- On the app page, tap the **Install button** and wait for the download to complete.
- Once the installation is complete, tap the **Open button** to launch the app.

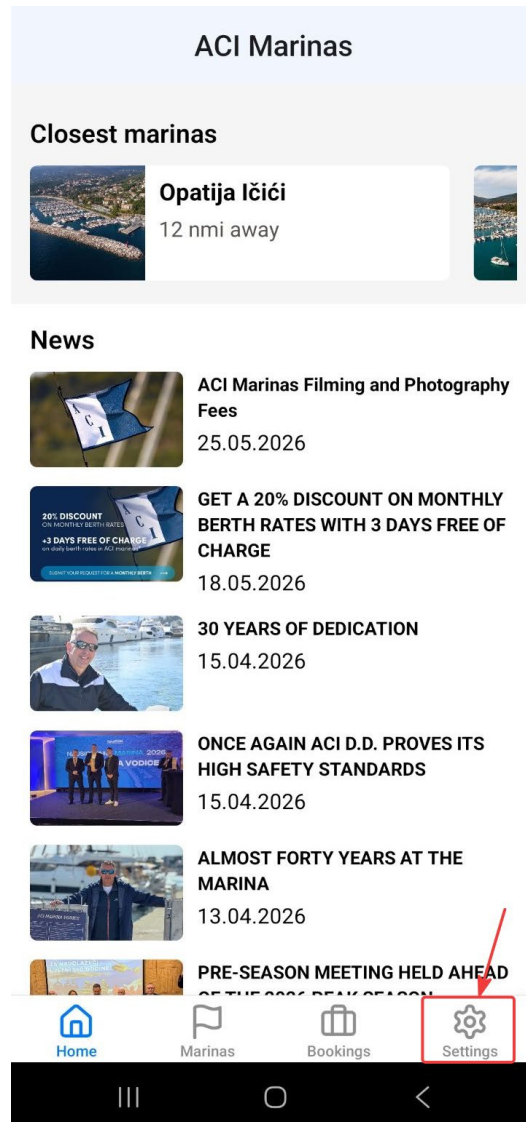

APP HOME SCREEN

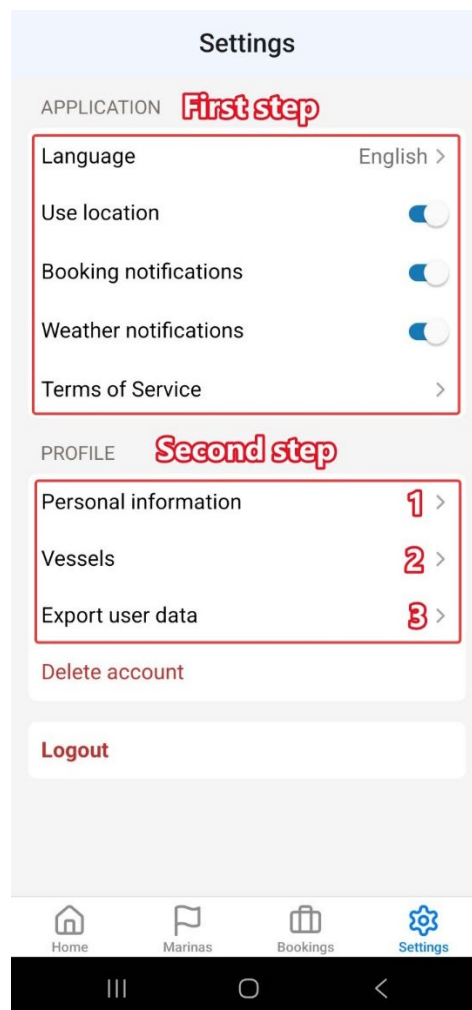

- On the home screen, you can view all available ACI marinas by scrolling through the photo cards in the "Marinas" section.
- The lower part of the screen displays the latest news and announcements from the ACI Club.
- At the bottom of the screen are four menus: **Home**, **Marinas**, **Bookings** and **Settings**, which allow you to quickly access all parts of the app.

APP SETTINGS

- Once the app opens, tap the Settings icon in the bottom right corner of the screen.

- In the "**Application**" section, you can select the language and enable or disable location access and booking and weather notifications.
- In the "**Profile**" section, set your user information:
- **Personal information**: enter your personal information (name, surname, contact etc.);
- **Vessels**: add information about your vessel (name, dimensions, registration number);
- **Export user data**

PERSONAL INFORMATION (PROFILE)

- Enter your name, surname and email address in the appropriate fields.
- Select a country/flag and enter the street, city and postal code.
- Enter your mobile number, then tap **Save** in the upper right corner to store the information.

The image displays two side-by-side screenshots of a mobile application's 'Profile' screen. The left screenshot shows the form with empty input fields, while the right screenshot shows the form filled with test data. Red rectangular boxes highlight the input areas for personal information, address, and contact details in both versions.

Left Screenshot (Empty Form):

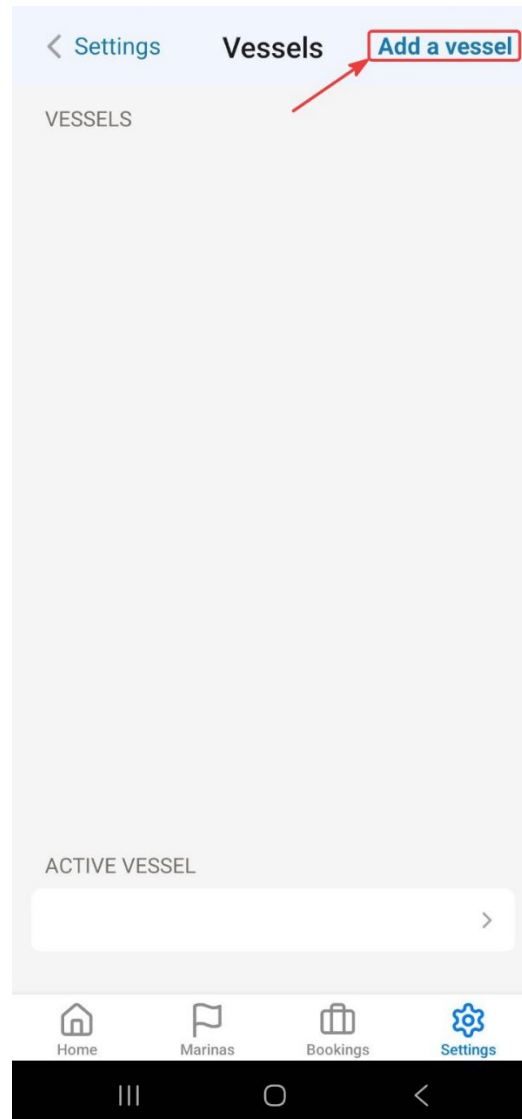

- Header:** < Back, Profile, Save
- BASIC INFO:**
 - First name
 - Last name
 - Email
- ADDRESS:**
 - Country / Flag
 - Street
 - City
 - Postal code
- CONTACT:**

ADDING A VESSEL

- On the "Vessels" screen, tap the **Add Vessel button** in the upper right corner to add a new vessel.
- After adding a vessel, in the "Active vessel" section, select which vessel is currently active for bookings.

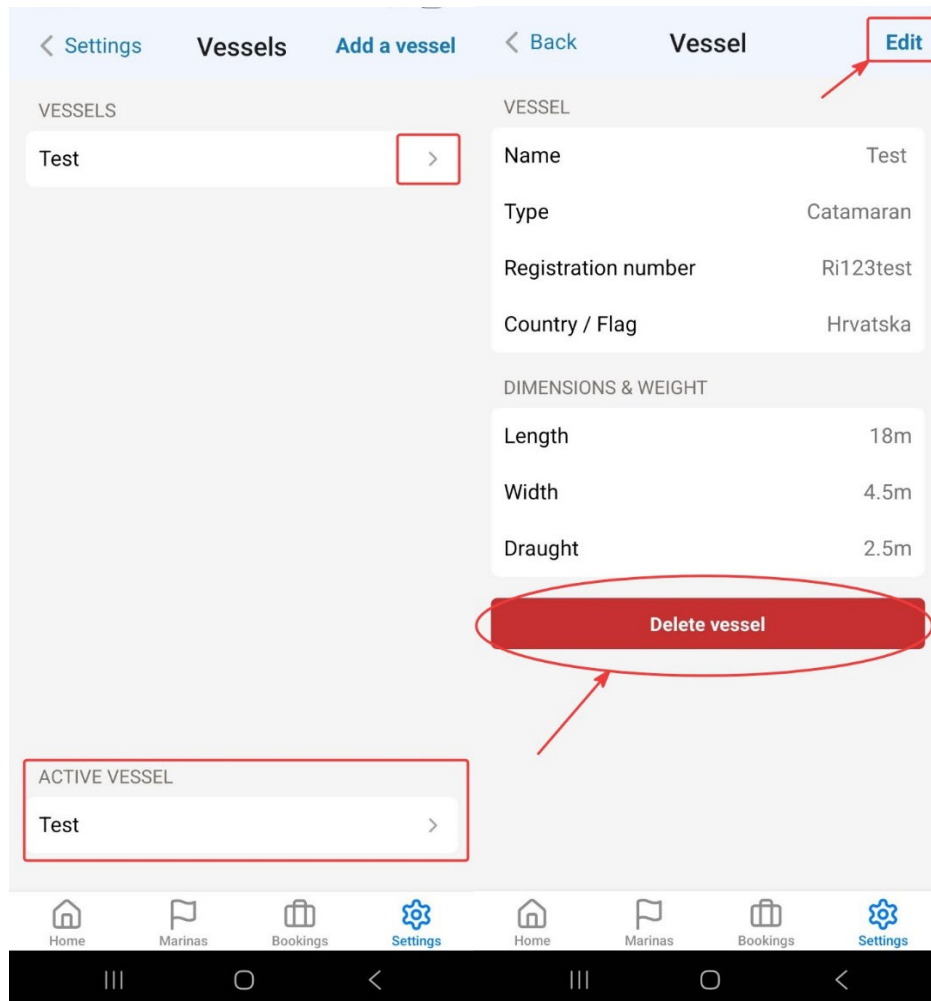

- Enter the name of the vessel, select the type from the drop-down menu, select the country/flag, and enter the length (e.g. 12.34), width (e.g. 2.4), draught (1.5) and registration number (e.g. *Name: Sea Breeze, Type: Motor yacht, Registration: HR-XX-123*).
- If desired, you can attach a vessel document (e.g. **a navigation licence**) by tapping the **Add document button**.
- Once you have filled in all the fields, tap **Save** in the upper right corner.

The image displays two side-by-side screenshots of the 'Add a vessel' form in a mobile application. Both screenshots show a header bar with 'Cancel', 'Add a vessel', and 'Save' buttons. The left screenshot shows the form with empty fields for Name, Type, Country / Flag, Length, Width, Draught, and Registration number. The right screenshot shows the form with filled-in data: Name: Test, Type: Catamaran, Country / Flag: Njemačka, Length: 18, Width: 4.5, Draught: 2.5, and Registration number: Ri123test. A red box around the 'Add document' button in the right screenshot has an arrow pointing to it. Both screenshots have a red box around the 'Save' button in the top right corner. At the bottom of the image is a navigation bar with icons for Home, Marinas, Bookings, and Settings, with the Settings icon highlighted in blue.

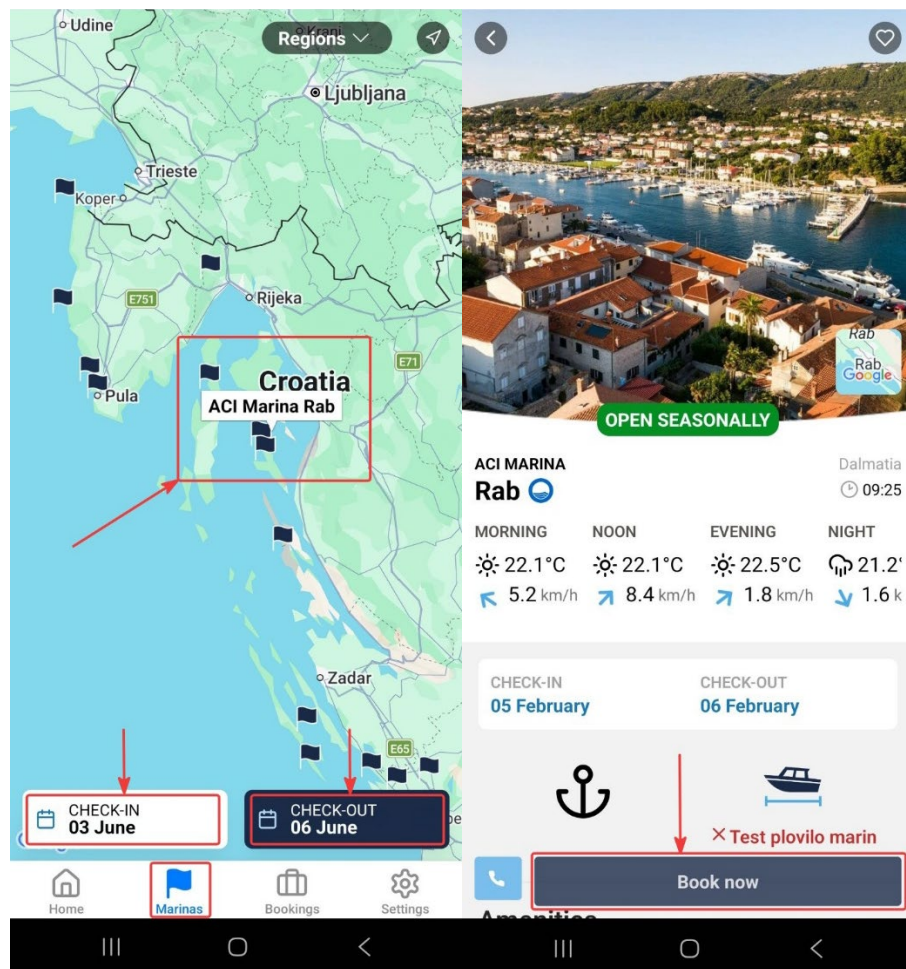

VESSEL SUMMARY AND SELECTION

- The "**Vessels**" screen displays all of your added vessels. Tap the arrow (>) next to the vessel name to view or edit its details.
- If you have multiple vessels, in the "**Active Vessel**" section at the bottom of the screen you can select which vessel will be used for the next booking.
- There is also the option to delete a vessel, if necessary.

SEARCH FOR MARINA ON THE MAP

- Tap the **Marina icon** in the navigation bar at the bottom of the screen.
- At the bottom of the screen, tap the **Check-in field** to select the arrival date, then tap **the Check-out field** to select the departure date.
- The map shows all available ACI marinas marked with flags. Drag the map with your finger to find the chosen location, then tap the flag of the selected marina.
- When you tap the flag, the name of the marina will be displayed (e.g. *ACI Marina Rab*). Tap the name to enter the marina details and continue with the booking.

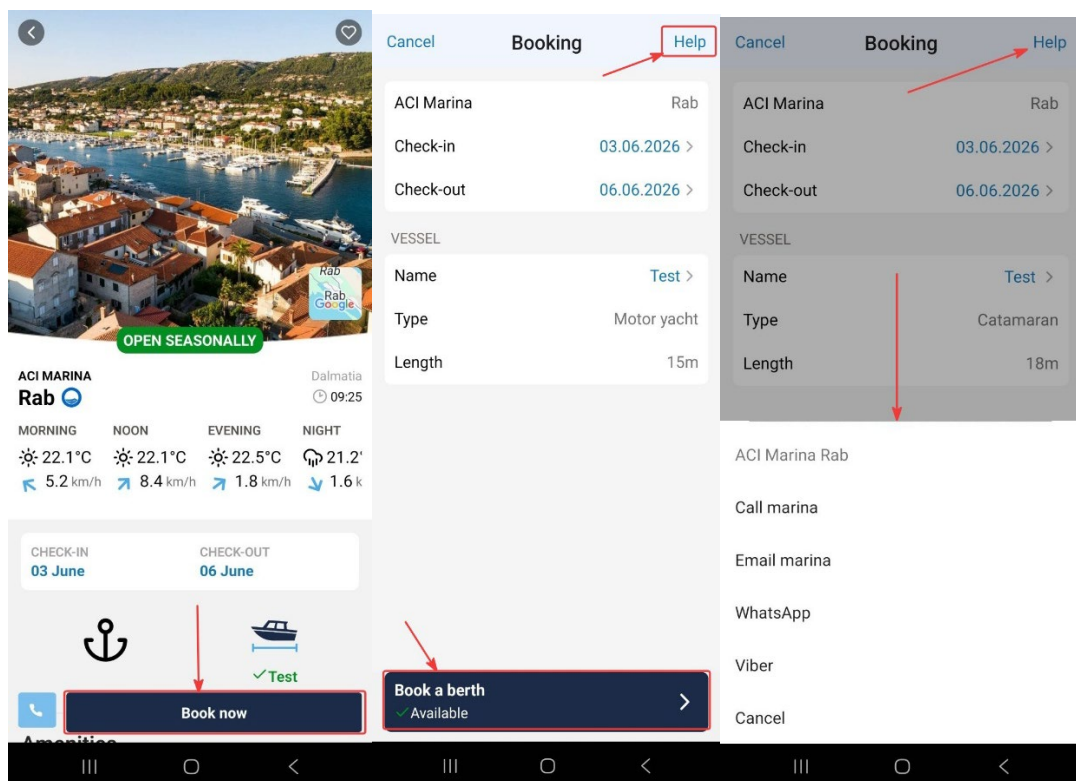

- A boat icon shows berth availability: if a **green check mark** is displayed, the berth is available, and if a **red X** is displayed, the berth is not available for the selected dates.

MARINA DETAILS AND BOOKING SUMMARY

- On the marina details screen, you can see current weather, arrival and departure dates, and active vessel. Tap the **Book now button** to proceed to the booking summary.
- Check marina, dates and vessel information. If the berth is available, the **Available** label will be displayed; tap the **Book a berth** button to confirm the booking.
- If you need additional assistance, tap **Help** in the top right corner. This will open a menu where you can contact the marina by call, email, WhatsApp or Viber.

LINK OVERVIEW AND PAYMENT

- On the "**Berth**" screen, check the marina, vessel, dates and total amount (e.g. €710.00). Turn on the toggle next to "I've read and agree to the booking terms and conditions", then tap **Payment**.
- On the payment screen, enter your card number, expiration date (e.g. 08/27) and CVV code from the back of your card (e.g. 123). Check that your personal information has been entered correctly.
- Tap the **Pay button** to complete your booking. If you change your mind, tap **Cancel** to cancel.

The screenshot displays the Monri mobile application interface, divided into two main sections: "Berth" and "Payment".
